

TENSPACE SHOW GUIDE

At **TENFOLD**, we visualize a universe that exists beyond a blank page or empty canvas. We are a community of creators working to inspire and connect people to place and culture in a meaningful way.

As a **TENSPACE Show Guide**, you will be assisting in the day-to-day operations of TENSPACE. You will help facilitate the in real life activations in the space by building emotional connections between the customer and the brand. Creating a level of intimacy by telling the brand story and walking customers through the experiential activation. Educating every customer on the TENSPACE mission and purpose while inspiring them to be a part of our social media platform. Guiding customers through product assortment and placement. Connecting the dots from the customer to TENSPACE and to the current brand.

Truly providing a world-class, highly differentiated experience for the customer, brands, influencers, and sponsors. Building a loyal customer base that will come back for every show.

PROFILE

COLLABORATIVE

True collaboration is magical. It is the moment when a creative force is among the team in a way that is almost palpable. As a Show Guide, you are driven to create opportunities for TENSPACE™ and are always working to cultivate meaningful relationships.

COMMITTED TO CREATING

Success not only takes expertise, but also curiosity and a commitment to CREATING. Design is at our foundation. You toil and tweak and edit and scrap and start all over again, but when you've got it, you know.

ENTREPRENEURIAL

Show Guides participate, hands on, in the acceleration of an entrepreneurial company no matter their level or role. You have the opportunity to form and inform our processes and our culture... putting your fingerprint on the journey. We are committed to this cultural trait regardless of our size or time in business, because it keeps us sharp and keeps things fun.

POSITIVE

As Creators, we are trained to be critical. We are always looking for ways to make something better, but we must support the critique process with positivity, respectful of the ideas of the team and our clients. Optimism prevails at TENSPACE™. Because of our culture, no issue or challenge is beyond a solution. You have the power and the responsibility to influence change for the better.

ARTICULATE

Our solutions are unique because they are strategic, thoughtful and smart. You are articulate. You are able to convey your ideas, views and solutions through effective communication and authentic presentation.
